The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Repair/Renovate Elevated Water Storage Tanks project in fiscal year 2024. The entity to receive funding for this project is City of Alice, located at 500 East Main Street, Alice, TX, 78332.

The funding would be used for repair and renovation of the city's three elevated water storage tanks. The project is an appropriate use of taxpayer funds because it would mitigate the risk of the storage tanks failing, due to age.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Monica De La Cruz
Member of Congress
15th Congressional District
